THE DESIGN OF EVERYTHING

Design is now not just a simple presentation of a product's appearance but an encapsulation of solution, experience and elements that help fulfill the dreams of customers. The 21st century is known as the leading era for such designs. In this present era, design is not only a cultural issue and code that changes life but it is also part of our everyday lives.

Gaenari Wallpaper will continue to strive to become a leading company in future design with differentiated and high quality products. Since our founding in 1977, Gaenari Wallpaper has been a leading company in comfortable housing culture through continuous business innovation, technological development, systematic human resource development and customer satisfaction.

We have strived to abide by our management philosophy of 'Touching the hearts of customers via products and services of the highest quality.' At Gaenari Wallpaper, we practice innovative design management while creating a comfortable and sophisticated living space based on the know-how of business management.

SINCE 1977 **GNI GAENARI**

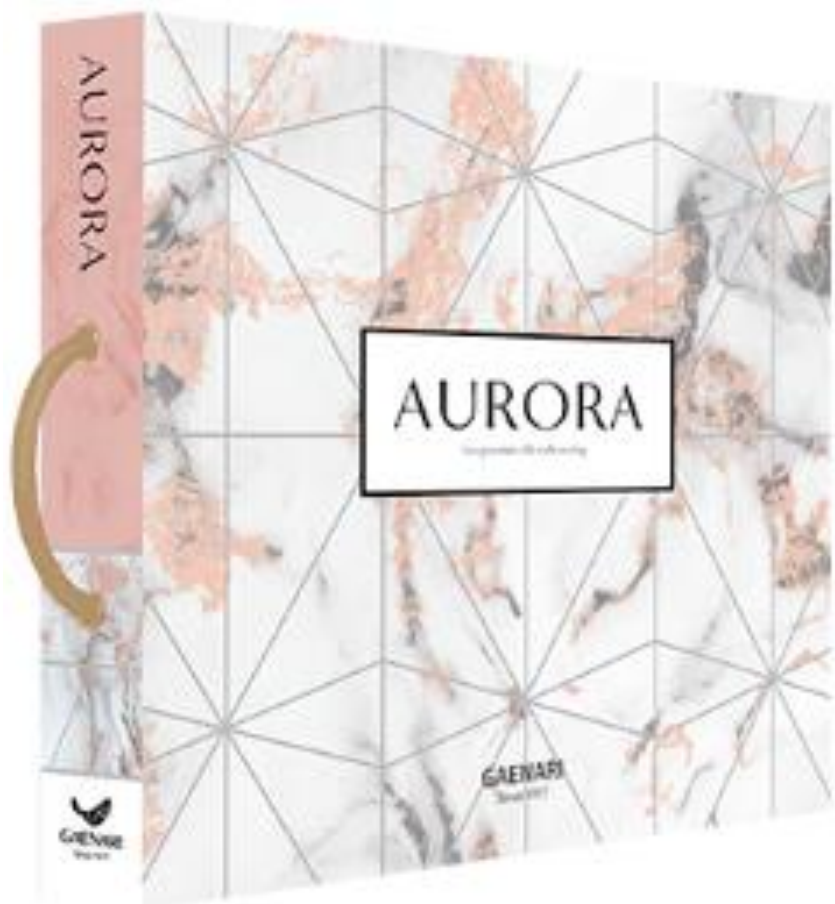

GAENARI WALLPAPER has a vision as a living & life style brand.

We analyze global trends and develop original designs to showcase the latest innovations through continuous investment, and are pursuing decorative trends in residential, commercial interiors and future spaces in Korea and around the world.

We will continue to grow as an eco-friendly brand to benefit humans and nature through innovative design and excellent quality.

BRING NATURE TO YOUR HOME

Our wallpaper connects people and nature,
using various patterns and colors of wood, and stone.

AURORA

Nature Asthetic

The reason why the natural pattern are beautiful is that
the elements are in harmony with the principles of sculpting. It calms our mind.
We hope your space will give you a comfortable rest.

AURORA

The background of the entire page is a piece of marbled paper. It features a complex, organic pattern of swirling, wavy lines in various shades of beige, cream, light brown, and grey. The texture appears soft and fluid, reminiscent of natural stone or liquid movement captured over time. The colors are muted and earthy, creating a sophisticated and calming visual effect.
