DESIGNER FLOORS

Get inspired with Lamiwood Designer Floors

Design in every step!!

At Lamiwood, we have been turning floors into statement pieces since 2008. With our Evoke Laminate Flooring collection, you get the perfect mix of STYLE, DURABILITY, and AFFORDABILITY. Choose from a selection of beautiful designs and discover stylish floors bursting with innovative technology designed to make your life easier. Built to withstand busy lifestyles, our floors are scratch-resistant, low-maintenance, and effortlessly chic. Elevate every room with flooring that doesn't just look good but performs flawlessly. It's time to start dreaming.

Product Features and Benefits

Maintains a pristine look even in high-traffic areas, reducing the need for frequent replacements.

Protective Top Layer (AC5 Grade)

The flooring features an ultra-durable top layer that resists scratches, stains, and daily wear. With an AC5 rating, it's engineered to withstand high foot traffic, making it ideal for both residential and commercial spaces.

High-Definition Decor Layer

The top-notch decor prints from Interprint Germany capture intricate wood grains and natural color variations with stunning realism. These designs effortlessly bring warmth, style, and character to any space.

Achieves the authentic appearance of real wood, enhancing the visual appeal of your interiors.

Better performance in areas prone to spills and humidity, reducing maintenance stress.

Moisture Resistance

Designed to resist swelling with a limited rate upon exposure to moisture, ensuring long-lasting stability. This innovative feature makes it perfect for areas prone to spills or humidity.

Scratch and Stain Resistance

A highly resilient surface prevents scratches, stains, and fading, maintaining its beauty even in high-traffic areas. This durable finish ensures your floors stay pristine for years to come.

Ensures a long-lasting, visually appealing floor with minimal upkeep.

What Our Customers Say

Real Stories, Real Satisfaction

Lamiwood's Evoke laminate flooring gave my living room a stunning makeover. The scratch resistance is a lifesaver with my two dogs! The installation was quick and hassle-free, and the finish was flawless.

Anjali Grover
Homeowner

I was impressed by the easy installation and the beautiful finish. The floor looks like real wood but at half the cost! The durability is outstanding, even in high-traffic areas, and it's perfect for creating a modern, elegant look.
