Unify Series

- Anti Static Flooring
- Anti Bacterial
- Eco Friendly
- Abrasion Class AC5
- Waterproof
- Fireproof
- Real Groove
- Stain/Imprint Resistant

Fireproof Wooden Flooring Benefits:

Exceptional Fire Resistant

This Unify collection is designed to resist ignition and continuous highly flame burning in the fire.
There will be no visible flames on the product, and no burning marks will be left on the surface after the fire test.

Waterproof

This Floor is made with a 100% water protection technology that protects floor from everyday spills and splashes.

Scratch Resistant

Top layer is made of Highly anti abrasive protective overlay that ensures a durable surface and protect your floors from scratches which can occur through heavy use.

Cigarette Burns Resistant

Lamiwood Unify Flooring is super Cigarette burns resistant so you don't have to worry about burning and stains causes when cigarette falls down on the flooring.

Environment Friendly

All Lamiwood floors are eco-friendly as the core of the flooring is made out of the waste or recycled wood, so that you can have your flooring without immolating trees ensuring protection of our environment.

Embossed In Registered (EIR)

While laminating the layers together to make a floorboard, we make sure the top texture of the flooring matches with the wood grain in the design layer so the flooring will also give the feel and touch of wood which features elegant contrasting and a thrilling multi-gloss effect that reflects the light differently.

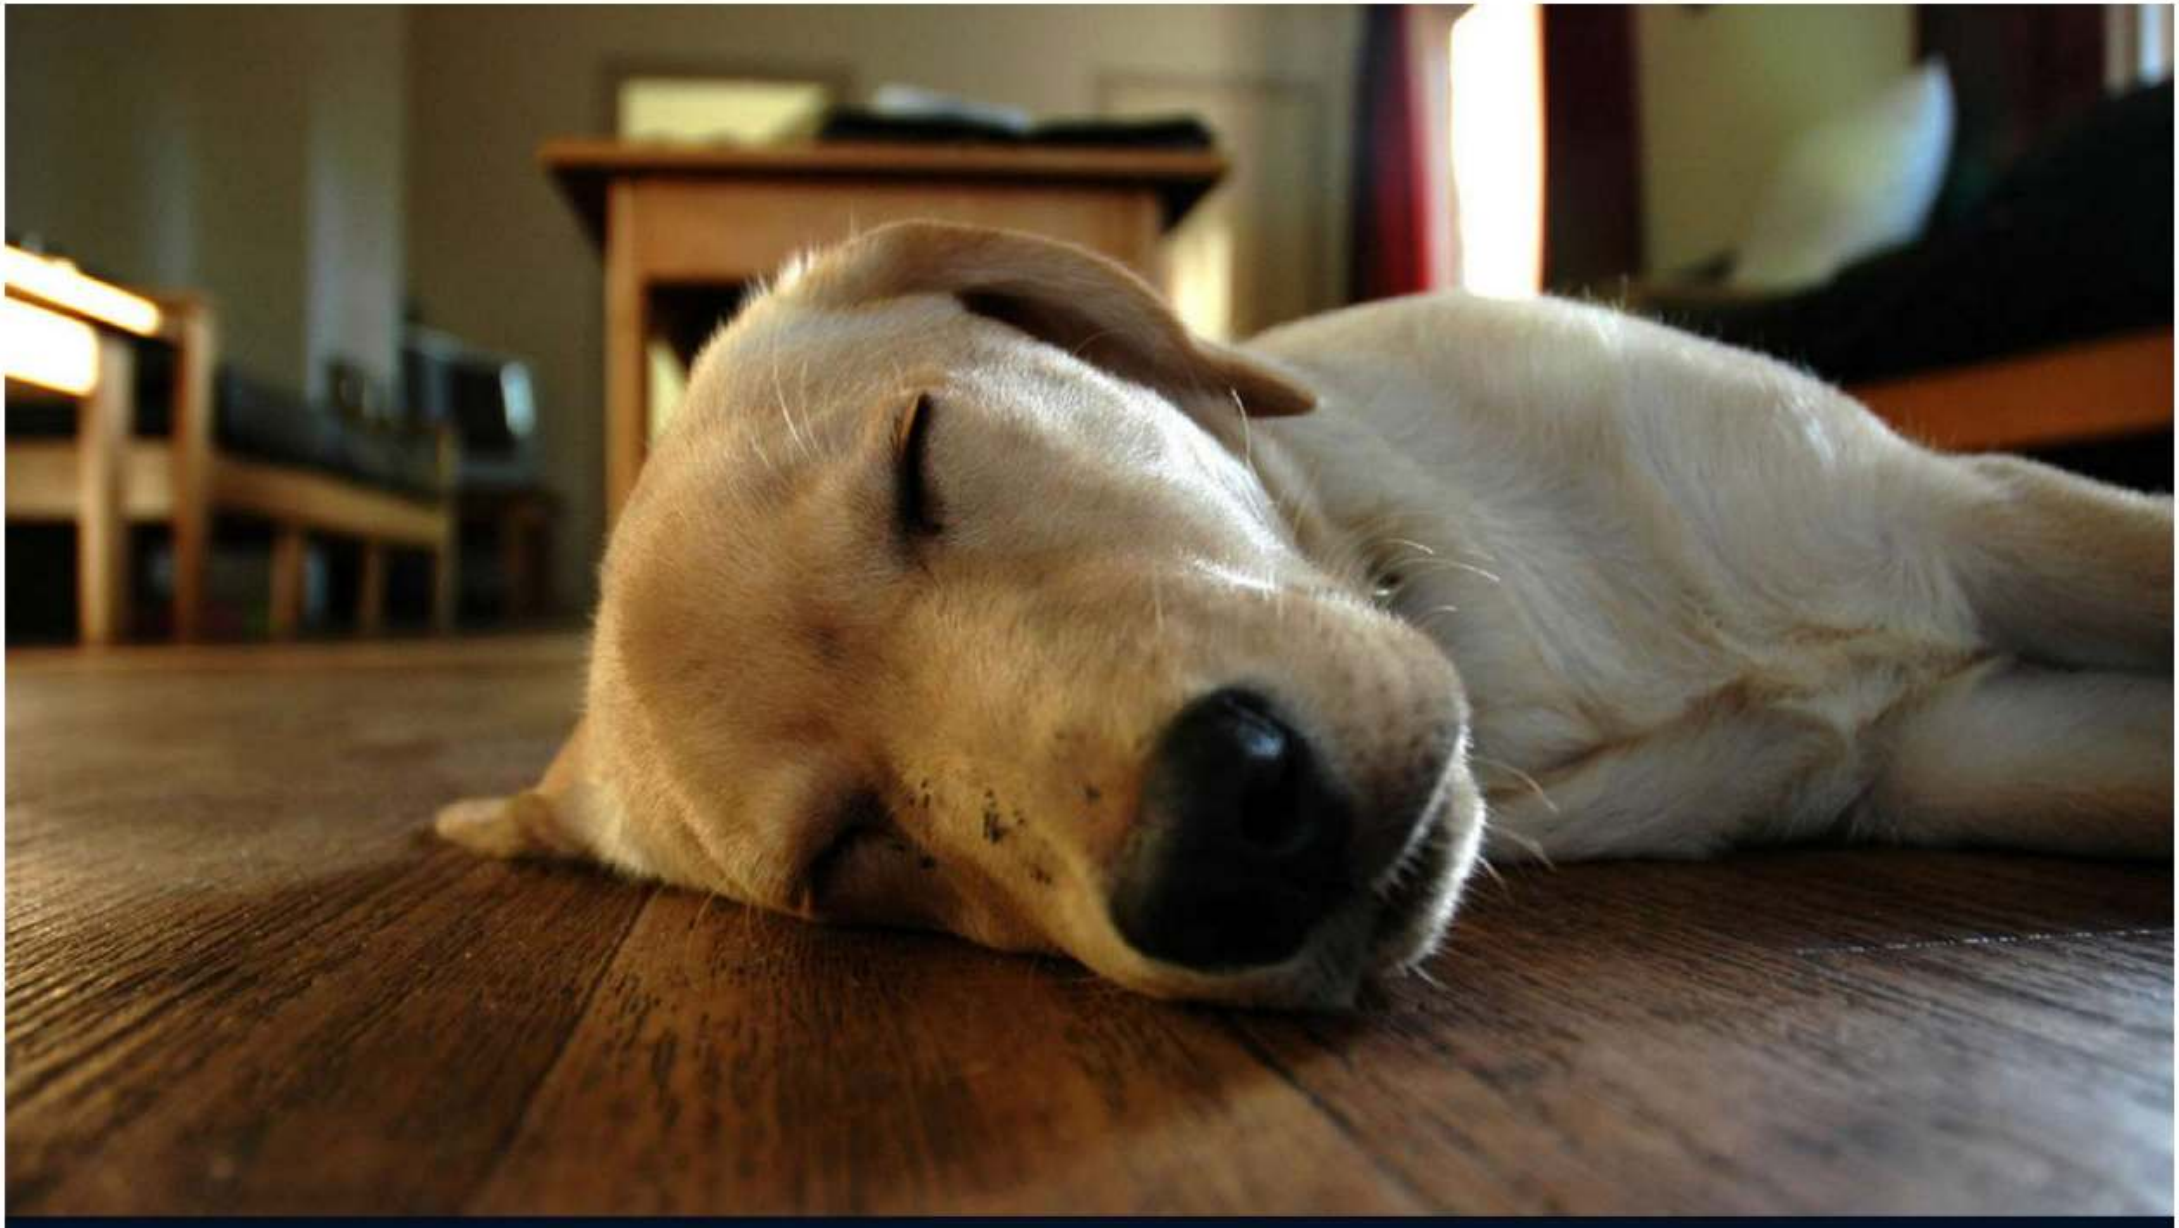

Anti-Static

Lamiwood anti-static floors protect you from electrical shocks and are easy to clean as they do not attract dust and dirt at all and will remain clean just by mopping the floor occasionally.

Warranty

All Lamiwood laminates floor are put through a series of test to comply with the international standards to be able to give you protracted residential warranty with all the products and limited commercial warranty for a few (Detailed terms of guarantee: www.lamiwood.in)

Thanks to antibacterial Microscratch Protect Surface, which is also undaunted by small mishaps, Unify Series is exceptionally well suited for life with house pets.

Highly Durable

With an AC5 anti-scratch coating on the surface, your floor is durable and well-protected against daily wear & tear that occur through:

- High-compression
- Tension
- Shear
- Torsion and
- Bending
