CARE & MAINTENANCE

Laminate wooden flooring is durable and low-maintenance, but proper regular cleaning is essential to keep it looking its best and prolong its life. This guide provides step-by-step instructions for everyday and weekly cleaning.

Daily Cleaning Routine

- Use a soft microfiber mop or a soft-bristle broom to remove dust, dirt, and pet hair
- Use a vacuum with a soft brush attachment to avoid scratches. Do not use rotating or beater brushes

Weekly Routine

- Use a Slightly damp microfiber mop by lightly spraying the cleaner on the mop or floor (do not soak)
- Mop in the direction of the planks for a streak-free look
- Immediately dry with a clean, dry cloth if any water remains

Important Do's & Don'ts

- Wipe spills immediately to prevent damage
- Use mats at entrances to trap dirt
- Trim pet nails to avoid scratches
- Use felt pads under furniture legs
- Avoid wet mopping or soaking the floor
- Do not use steam cleaners
- Do not use abrasive pads, bleach, or wax polish
- Do not leave standing water
